**ATTIC**

**BASEMENT**

**BATHROOM**

**HOME OFFICE**

**DINING ROOM**

The place in where we cook and where we have the food, the oven, the pans, cutlery, etc.

The place in where we have the washing machine and where we wash the clothes.

The room for the babys, in where we have a cradle, toys, etc.

The place in where we leave the car when we come home.

The place in where we take rests, we see the TV, we have the sofa, books, etc.

The place in where we sleep. We have the bed there, our clothes, etc.

The highest place in the house. The ceiling is usually lower than the ceiling in other rooms. Used to do parties, listen to music, etc.

The lowest place in the house. We usually use it as a storage room. Sometimes it has a chimney.

The place in where we have the shower, the bath, the toothbrush, etc.

The place our parents use to work when they are at home and not in their office.

The place in where we take our breakfast, lunch, dinner. Composed by a table and chairs.
